

SUPPORT THE CLAREMONT INSTITUTE'S *Center for Constitutional Jurisprudence*

The mission of the Claremont Institute's Center for Constitutional Jurisprudence (CCJ) is to restore the constitutional design envisioned by our nation's Founders. Please donate today to support our vital litigation efforts, to counter the pernicious trends in our politics:

Colorado Open Primary Constitutional Challenge Litigation Fund

CCJ has established a litigation fund to fight against Proposition 108, a 2016 referendum that established open primaries in Colorado. Open primaries allow unaffiliated voters to participate in Democratic and Republican primaries, contravening the First Amendment protections of private organizations to the freedom of association.
